

About Bee Mighty

Bee Mighty is a 501(c)3 non-profit that provides support and resources to local families before, during and after their Neonatal Intensive Care Unit (NICU) journey. Bee Mighty provides NICU Care Packages, NICU Support Services, Grants for Mental Health Counseling and Grants for Developmental Therapy & Equipment.

It is estimated that 10% of babies born in the US will spend time in the NICU. NICU graduates may require developmental therapies such as feeding therapy, physical therapy or speech therapy, and equipment such as cranial bands, wheelchairs and hearing aids. Often times therapies and equipment required to reach a child's developmental potential are not covered, or are only partially covered by insurance.

Since 2012, Bee Mighty has funded more than 500 NICU graduates with grants for developmental therapy and equipment! Those children have gained access to resources and services that give them the best chance at living healthy and happy lives. In 2025, Bee Mighty hopes to fund 100 grants for NICU graduates! We appreciate your support in carrying out our mission.
