

Bee Something for Bee Mighty Gala

October 26th, 2024 - Quail Hollow Club

About Bee Mighty

Bee Mighty is a 501(c)3 non-profit that provides **support and resources** to local families **before, during** and **after** their **Neonatal Intensive Care Unit (NICU) journey**. Bee Mighty provides NICU Care Packages, Grants for Mental Health Counseling, Grants for Developmental Therapy & Equipment, and NICU Support Services.

Our Event

The Bee Something for Bee Mighty Gala is our largest fundraiser for programs and services supporting NICU families. The event brings together hundreds of community members, donors and NICU families each year in support of our mission. This year's gala will be held on October 26, 2024 at Quail Hollow Club! The event includes dinner, a silent auction, dancing and much more.

Our Purpose

It is estimated that 10% of babies born will spend time in the NICU. Bee Mighty knows the challenges NICU families face require a tremendous amount of support. The NICU experience can cause stress and anxiety for parents and families trying to navigate their baby's health concerns and their own complex emotions. After time in the NICU, graduates may require developmental therapies such as feeding therapy, physical therapy and speech therapy, and equipment such as cranial bands, wheelchairs and hearing aids. Often times therapies and equipment needed to enhance a child's developmental potential are not covered, or are only partially covered by insurance. We believe all NICU families should have access to resources and services that give their children the best chance at living healthy and happy lives.

Our Impact in 2023

- Funded 80 NICU graduates with \$95,300 in grants for developmental therapy/equipment
- Funded 23 NICU family members with \$18,600 in grants for mental health counseling
- Delivered 40 bedrest bundles to mothers on bedrest likely to have a NICU stay
- Delivered 270 care packages to NICU families in local hospitals
- Funded over \$6k in NICU Supplies to Local NICUs and NICU Follow-up Clinics
- Hosted 22 NICU dinners
- Funded 130 NICU Photography Sessions
